Please note we do not offer credit. Jobs will not be sent until paid in full. We may request a deposit of up to 50% for large jobs.

Comments/Notes:

NOTE: if you are sending a head for modification or a cylinder for porting you MUST take an accurate squish clearance measurement and send it to us with your job otherwise we may not be able to proceed. You can find instructions on how to do this on our website.

Release of Liability:

By signing this work order form I therefore agree to the following terms:

1. I agree that I am the owner of the of the parts/vehicle/motorcycle, or am acting as the authorised presentative of the owner.
2. I accept sole responsibility for requesting and authorising the modification work performed.
3. I understand that the modification I have requested may effect or void manufacturer warranty, vehicle/motor cycle insurance, vehicle/motorcycle registration and may be illegal to operate my modified vehicle/motorcycle on public roads.
4. I understand that by undertaking modifications to my vehicle/motorcycle there may be resulting issues such as reduced mechanical reliability, sudden and unexpected mechanical failure, difficulty in controlling the vehicle/motorcycle, complete loss of control of the vehicle/motorcycle, or any other unforeseen issue which may arise to cause loss or damage to property, personal injury or even death.
5. Due to nature of modification work and the ongoing tuning required by high performance engines I accept that Two Stroke Performance does not offer warranty of any kind on engines or parts that have been modified in any way beyond the manufacturers guidelines.
6. I understand these terms and accept that I am undertaking this modification work at my own risk and I, as the owner or owner's authorised representative, release Two Stroke Performance from any and all liability or claim that may arise through any loss, damage or injury incurred as a result of these modifications.
7. I understand that while my vehicle, engine or parts are at the premises of Two Stroke Performance, they are not covered under any insurance for theft, fire or other unforeseen damages. I will ensure my vehicle, engine or parts have adequate insurance for such events.
